The Jaguar Basketball Camp staff looks forward to working with your son as he continues to develop the skills and knowledge necessary to be a productive basketball player. Our camp philosophy balances skill development and competition in an enthusiastic and positive manner. Our goal is for your son to have a burning desire to want to improve well after the camp concludes. Our camp prides itself on teaching fundamental skills of ball handling, shooting, passing, rebounding, movement without the ball, and individual and team defensive techniques. We hope to see you at this summer's camp!!!!
